Training & Placement Department

Pool campus notice for 2016 batch CE/IT Students

We are pleased to inform you that Gardi Vidhyapith college is going to conduct VAVNI SERVICES POOL CAMPUS DRIVE ON 15TH MARCH, 2016 FOR B.E (CSE/IT) and MCA 2016 BATCH , M.E/M.Tech 2016 Batch.

INTRODUCTION TO VAVNI

VAVNI is an Engineering Services firm focusing on solving complex engineering challenges – from development to compliance to contract manufacturing – for Fortune 500 companies.

The **VAVNI** Internship Program has been a tremendous success in the past and **VAVNI** always looks forward to give right opportunity to the fresh talent who can be groomed professionally & technically by orienting them to real time work experience, Industry-based technical training programs and mentoring from our experienced software professionals. Who can further become a valuable resource and can contribute towards VAVNI's success.

During the last 10 years, **VAVNI** engineered hardware and embedded software for more than 50 high tech products generating over \$5Bn in sales for our customers. Products with the **VAVNI** touch have won awards and can be found today in retail shelves and powering datacenters across the world. Our team of experienced and passionate engineers is recognized for going deep, fast, and for providing exceptional levels of quality and personal attention. This is the **VAVNI** way. Contact us today to learn how **VAVNI** can help you augment your engineering capabilities. **VAVNI** has its HQ located in Santa Clara, CA, in the heart of Silicon Valley and Development/delivery centers in "Pune" and "Gandhinagar" Gujarat. "Vavni" also has presence in "Taiwan" and is likely to open more offices in and out of India.
