This is an opportunity for individuals looking to launch their career in **Mortgage Banking Industry**. Eligible candidates would be provided an opportunity to work in Company's Core Departments, such as:

Pre-Risk Analysis:

- Assessment of risk associated with complex financial products.
- Analysis of key documents such as title reports, appraisals, income and asset statements.
- Assist clients in making better credit decisions.

Risk Analysis Quality Control:

- Audit the work completed by Loan Setup, Pre-Risk Analysis and Risk Analysis teams.
- Review of loan decisions by Risk Analysts.
- Provide feedback to Risk Analysts.
- Verify system for accuracy of information.

Doc Drawing:

- Review of documents prepared by systems to ensure accuracy.
- Reconcile fees in system with Settlement Statement.
- Prepare final legal documents required for closing a mortgage.

Funding Audit:

- Ensure that all loans are funded in compliance and without any defects or quality control issues.

POOL CAMPUS DRIVE BY XL DYNAMICS (Only For MEFGI Students)

- Verification of loan documents to ensure that the loan is in compliance with Federal, State and Investor guidelines.

Hedging Analysis:

- Assist Capital Markets team in managing financial risk.
- Daily audit of loans locked to ensure only active loans are hedged.
- Sales reporting to the hedging vendor.

Candidate's positive attitude, discipline and hard work will enable you to span across different departments as well as progress to higher levels in the organization.
